Your new adventure awaits right here in this incredible 5 bed, 4 bath Castle Rock home. Complete with a finished basement, a fully equipped and furnished Movie Theater and great yard you won't want to miss this.

From the moment you walk through the front door, you'll immediately notice the level of upgrades and care put into this home. From custom wainscoting along the entry way to the wide plank wood floors throughout the main floor ... the finishes will definitely stand out.

The bright and open main floor highlights a Gourmet Kitchen with Stainless Appliances, Granite and 42" cabinets. Everyone will love gathering around the huge island to enjoy time with each other. The Sun Room adds so much extra room to spread out in. Perfect for a dining room overlooking the back yard and taking in the open space views through the neighbors homes out back. The main Living room is so inviting with a large picture window and plenty of space, a cozy fireplace and is even prepared for surround sound. There's even a special "Zoom Room" tech
